Comprehensive drainage scheme of Challakere Town for ₹ 36,177/-

Sir

I have the honour to enclose herewith the above estimate for ₹ 36,177/- relative report, plan etc , for comprehensive drainage scheme of Challakere Town amounting to ₹ 36,177/- The scheme has been countersigned by the President, Municipal Council, Challakere The Municipal Council have resolved that out of the total estimate of Rs 36,177/-, the first stage of the work estimated to cost ₹ 11,728/- may be taken up in the first instance, the excess of Rs 4,678/- over the sum of ₹ 7,050/- already placed at the disposal of the Bureau of Sanitary Engineering being met in equal proportion by the local body and Government

In this connection, it may be stated that in connection with an estimate of ₹ 7,050/- for repairing drains in Challakere Town, Government were pleased to sanction a sum of ₹ 3,500/- in Government Order No H 7630-43/A1 102-42-76 dated 4th February 1943 A sum of Rs 3,550/- was also paid by the Municipality for the work But during detailed inspection, it was thought that it would not be advisable to take up the work piecemeal in the absence of comprehensive drainage to the town

The work is proposed to be carried out in three stages the first being for urgent requirements for ₹ 11,728/-

I therefore request you to be so good as to obtain and convey sanction of Government to the comprehensive scheme, the cost being borne by the local body and Government in equal proportion and also sanction to Government grant of ₹ 2,339/- to cover the balance of Government contribution towards the first stage,

O R D E R NO. L-1475-9 / MU-79-45-2 BANGALORE DATED THE 29th AUGUST 1945

An estimate for Rs.36,177/- was submitted by the Director of Public Health in Mysore for carrying out in three stages the comprehensive drainage scheme in the Challakere minor municipality, the same being financed by the Government and the Challakere minor municipal council in equal proportions. This includes an estimate for Rs.11,728/- for carrying out urgent works at the place as the first stage of the proposed scheme. This estimate has also been scrutinised and found to be in order by the Chief Engineer for irrigation.

Government are pleased to sanction only the estimate for Rs.11,728/- for the first stage of the scheme, the cost being met by the Government and the Municipal Council in equal proportions. As a sum of Rs.7050/- (Government grant of Rs.3,500/- sanctioned in the Government Order read above plus a municipal contribution of Rs.3,050/-) is said to have been placed already at the disposal of the Bureau of Sanitary Engineering towards the work, a sum of Rs.2,339/- still required towards the excess cost of Rs.4,678/- for the I stage is sanctioned out of the Town Improvement grant provided in the Stage Budget for the year 1945-46. The Deputy Commissioner, Chitaldrug District is requested to arrange for the municipal contribution of Rs.2,339/- being placed at the disposal of the Sanitary Engineer at an early date.

The Chief Engineer for Roads and Buildings is requested to see that the above work is taken up and completed expeditiously.
